IQUII SPORT

Nowadays, the implementation of a strategy needs to be planned with a data-driven approach.

With this in mind, our three reports were born:

- **"The European Football Club"** Report for football,
- **"The Basketball League"** Report for basketball and
- **"The Volleyball League"** Report for volleyball.

These studies deal with the presence of the main stakeholders of the related sports on social media, highlighting variations and overtakes on a monthly basis.

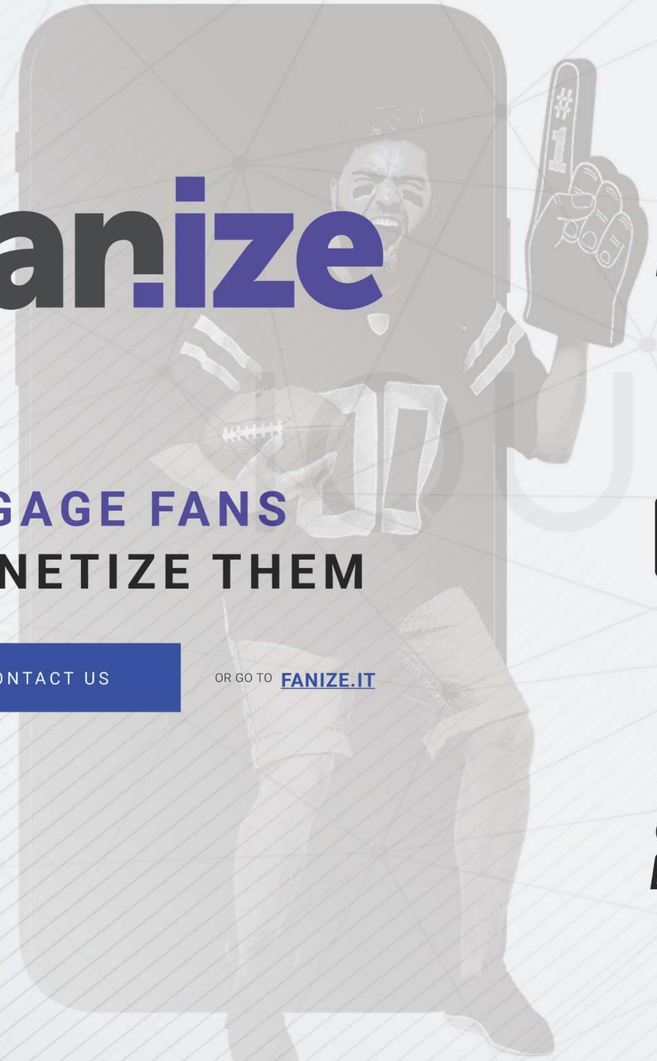

The aim of IQUII Sport is to realize and to offer tools supporting clubs, brands and athletes in the acquisition, engagement, loyalty and monetization of their own fanbases.
