## OUR CLIENTS

IQUII is the Digital Consulting Company leading businesses working in Sports, Finance and Retail in their digital transformation path, offering a wide range of strategic, technologic and creative services and solutions.

Our story begins in 2011, when Fabio and Mirko Lalli founded IQUII to offer an innovative approach to IT security services. Since the foundation, IQUII has never settled and continued to grow. In 2012, the company focused on the development of new web, mobile and wearable technologies, and integrated Digital Marketing and consultancy services into its offering. That growth never stopped, and in 2016 IQUII becomes part of the Be-TSE holding, a listed group in the Italian stock market and now, with the offices in Rome, Milan and Bolzano, it counts more than 80 professionals on the Italian territory and a consultancy network abroad.

Our mission is to create online and offline memorable experiences, activating an emotional and lasting relationship between the brand and the customer, discovering new trends and constantly studying and reinterpreting the market.
